FROM YOUR COMMANDER DESK

Greetings members of the 1st District!

First of all, a Big Thank You to all the District members who have supported over the Last Year. We have had our ups and downs, happiness, and heartbreaks but we have persevered through all. Without your support, things could have ended differently.

Thank you to my Officers and Committee Chairmen plus County Commanders who have helped immensely this year.

Thank you to Wanda, Josh, and Wes for their support. Without them, I would have been lost.

Membership....keep working on your unpaid list....do what you can to get these members back on the active roster.

Changeover has moved dates. It is at 7pm on June 2nd, 2026, in Stewartville. We will not be doing Membership packet pick up that night.

Commander Myron is looking for members to fill District Officer and Committee Chairmen positions. please consider these requests when asked.

I am going back to working with the SAL as their SAL Advisor and am taking a spot on the Post Development Committee.

Commander Brian

June 2026

June arrives with a sense of renewal — school years ending, summer beginning, and communities gathering for celebrations, parades, and moments of remembrance. It's a month that invites us to pause and appreciate the blessings of service, family, and the freedoms we enjoy.

As members of the American Legion Family, we carry a unique calling: to serve with compassion, to honor those who sacrificed, and to strengthen the communities we call home. This season offers countless opportunities to live out that mission — whether through a simple act of kindness, a volunteer hour, or a word of encouragement to someone who needs it.

June also reminds us of the importance of teaching the next generation what service truly means. When we share our stories, our values, and our love of country with young people, we plant seeds that will grow long after our own work is done. Every child who learns about respect, gratitude, and helping others becomes part of a legacy far greater than any one of us.

As we move into the heart of summer, may we continue to be guided by faith, strengthened by fellowship, and inspired by the purpose that unites us. Let us look for the quiet moments where God's presence is felt — in a handshake, a shared memory, a flag waving in the warm breeze, or a simple “thank you” offered from the heart.

May this month bring peace to those who are struggling, comfort to those who are grieving, and renewed hope to all who serve.

Blessings to you and your families, and may God continue to guide the Mighty 1st District.

— *Chaplain, 1st District*

ADJUTANTS' CORNER

Seriously, where to begin? I'm still overwhelmed at all I've gleaned and still am learning, be it through reading materials, talking with fellow members and non-members, re-reading materials, translating what the forevers have been around folks are saying and expecting newer folks to just know, and there I will pause. At our District Convention, which could have been better attended, I was refreshed by two things. One was another new District or Department person, don't want them to be identifiable, respect privacy, who shared a similar sentiment, "why, just be I want to do the job, do they assume I know everything?" and later, "sometimes, it feels like it's just another good ole boys club". So, growing pains are amongst us all.

Later, a well-seasoned individual commented, "glad we finally got some whip-persnappers in here [choked on my coffee], maybe now we'll stop doing the same damn things." And we went on to a more meaningful chat.

What this showed me was the excuse, no one wants change is officially shot.

The oldie but goodie one of them, "we've always done it that way", does not make it right. To change, requires change.

Ownership in the American Legion is personal but is not each of ours personally. We all sacrificed. Brought home scars. Left behind brothers and sisters; watched them be deployed, knowing we would not see them all come back. There are some that walked beside us through our tours, stayed with us for a while after, moved on and stopped understanding or wanting to understand us. That's why we need this organization. We are family. We recognize each other without a comment. We see family and we know them.

Stand up with us members of the Minnesota First District. Take positions in your post or at district and serve your brothers and sisters. Learn, help, be there for the next one that falters.

Alone we do little, together we do great things!

Area 1 Vice Commander

Today I had the honor of speaking at the Waldorf Memorial Day service.

We gathered not just to mark the unofficial start of summer, but to pause, remember, and pay a profound debt of gratitude.

Memorial Day belongs to the fallen. It belongs to the brave men and women who stood in the gap for our nation, who walked into danger, and who gave the ultimate sacrifice—their lives—so that we could stand here today in safety and freedom. They are not just names etched into cold granite or numbers in a history book. They were spouses, daughters & sons, brothers & sisters, friends, and loved ones.

It is easy to honor them today. We have the flags, the ceremonies, and the moments of silence. But the real challenge—and our real duty—is how we honor them tomorrow, and the day after that. How do we honor them in our day-to-day lives?

We do it by being citizens worth dying for.

We honor them when we choose kindness over cruelty in our neighborhoods. We honor them when we actively protect the freedoms they died for—by voting, by standing up for the vulnerable, and by participating in our communities. Every time we build bridges instead of walls, every time we show up for a friend in need, we prove that their sacrifice was not in vain.

We also honor them by fully living the lives they were denied. Enjoy your family, pursue your passions, and do not take a single day of peace for granted. A life well-lived, rooted in gratitude and purpose, is the highest tribute we can offer.

So today, let us remember. But tomorrow, let us live in a way that keeps their legacy alive.

Thank you, and may we always Mark Maloney

Consolidated Post Reports

Hello Crew,

Sorry for the lateness in this report but this is a much more difficult year dealing with this on the National level. Mostly trying to break down what the posts submitted electronically. Last year I was able to see the entire report just as you see it as a hard copy. That tab is gone on the national website. I think because the CPR is a double-sided form now.

Anyway, that is my problem trying to get the data for the Americanism awards. The CPR report that is attached is similar to last year. Anything green is what National shows as submitted. Anything purple are the hard copies that I get and submit which National has not submitted on their end yet. The "X" is for my purpose of which ones I have gone thru and retrieved the Americanism data.

I know the Commander has been talking about the CPR on her travels. It is the responsibility of those who put on the District and Department caps to follow in her footsteps to get the posts to do their job and fill out the report. We did this last year so there is no excuse for this year.

And as always, if nothing else lines 125 and 126 are gimmies. About 75 percent of the hard copies I get do not have those two items populated so I do it before I send them in. I would assume the word is not getting out to the Posts. Need to make this happen. Especially if they think they do nothing and send in an empty form. No such thing as an empty form!

So, I am pleading with you to help the Department hit 100% again this year.

If anyone has questions at any time contact me. We can do this!!!

FROM YOUR MEMBERSHIP DIRECTOR

Hello Legionnaires,

We are clawing our way back up in the district standings. Still in fourth, but at least we did not go down. Very few memberships processed this past week.

The 1st District is 1.44% out of 1st, 0.66% out of 2nd and 0.38% out of 3rd. We can do this, let us try to get back to second by department convention.

There are still nine posts at 100% or more. Winona and Owatonna are working hard to get there. Plenty of other posts are just a few members away.

Department wise, we are at 32 in the standings. It looks like we will be sitting in the back again, at the National Convention. At least Wisconsin will be sitting close to us. No bragging rights there.

The Consolidated Post Report and Officer Reports need to be done by all posts. Even if your officers did not change. Please, get them filled out and send them in as soon as possible. No dates for packet pickup yet. They will not be available at changeover on June 2nd in Stewartville, **And as always, no reports, no packets.**

Please remember that our members are our lifeline to keep the American Legion going. We need to fight to keep the members we have and always be on the look-out for new members.

You can contact me at any time with questions. I am more than happy to help.

See my contact information below.

Thank you for your service,

Mary Hanson

MEDICAL EQUIPMENT AVAILIABLE

Kasson Post 333 has a over supply of medical equipment which includes hospital beds with mattresses, wheel chairs (both regular and electric), motorized scooters and much more. If interested please call Richard Denny at 507—259—2081 for more information.

Hello,

I am Beau, I wanted to thank you guys for your support on my conflict with my school on me wearing my National Guard sash during graduation.

I was able to wear it during the ceremony after flat out telling the superintendent I was not listening to the school telling me no and then I was able to walk anyways like I predicated as I think they did not want to mess up the graduation order.

I really thought I would initially get more support from the school on wearing my sash due to the programs we have at the school on both Veteran's Day and Memorial Day. Especially because those programs include Legion members and actively support and showcase service members past and present.

Thank you guys for your letter and outreach, I really appreciate it.

Sincerely,

FIRST DISTRICT AUXILIARY NEWS

I want to thank those that came to our District Convention in Lake City on May. Thank you to our Lake City Auxiliary members for taking this on! It was great day.

There were 11 Units represented with 25 members in attendance.

It was good convention and we have our Executive Board for the upcoming 2026-2027 year!

Thank you to these ladies that stepped up to help govern our District for 2026-2027! We will be looking for chairman do help this coming year, if there is something you might be interested in doing, please let me know! Anyone can be a chairman, and it doesn't take as much time as you might think!

Annual Reports were disappointing in only 14-17 units sending in their reports to our chairman, also very disappointing to only receive 15 Impact Reports. We should have been able to get this if nothing else. The numbers from this report when compiled with Department and National to help the American Legion Family when they go to Congress when asking for support for our Veterans.

Many of you have been working on plans with your American Legion Family to celebrate the day in your communities. All the best on whatever your plans are to celebrate the 4th!

Please take the time to remember our military and their families during the holiday, many may not be together during this time as we will be with our families and friends.

Membership Report – June 2026

As we move into summer, our District continues to shine in membership growth and engagement. According to the Department's **Membership Bulletin #42 (as of May 26, 2026)**, **First District proudly holds 3rd place statewide with 90.3% of goal achieved** — a testament to the dedication and teamwork of our Units across southeastern Minnesota.

Each member, new or renewed, strengthens our mission of service. From Winona to La Crescent, our Units have worked diligently to reach milestones throughout the year. Many have already surpassed the 85% benchmark set for March and are now closing in on the June goal of 95%.

Highlights from the latest District report show several Units leading the way:

- **Winona Unit 9, Lanesboro Unit 40, and Wabasha Unit 50** have all reached or exceeded 100% of their membership objectives.
- **Albert Lea Unit 56, Stewartville Unit 164, and La Crescent Unit 595** continue to make strong progress toward their summer goals.

Junior membership remains steady, with active participation in Units such as **Harmony, Le Roy, and Freeborn**, helping nurture the next generation of Auxiliary leaders.

Across the Department, the theme *“Celebrating Members in Everyday Places”* reminds us that every renewal and every new member represents a celebration of service. Let's keep that spirit alive as we approach the final reporting deadlines. Encourage renewals, welcome new faces, and continue sharing the joy of belonging to the American Legion Auxiliary.

Together, we are building momentum — and with your continued outreach and enthusiasm, **First District is well on its way to finishing the year strong.**

Discover the American Legion Family: Two Booklets Now Available

The American Legion Family continues to grow in both mission and impact — and now, two new educational booklets are available to help posts, units, squadrons, and families share who we are and what we do.

These resources were created to support membership outreach, youth engagement, and community education. They are free to distribute and can be shared digitally or printed for events.

1. *The American Legion Family: A Guide to Membership & Service*

This booklet provides a clear, easy-to-read overview of all four branches of the American Legion Family — The American Legion, American Legion Auxiliary, Sons of The American Legion, and the American Legion Riders.

It includes:

- A history of the Legion and its founding principles
- Eligibility information for each branch
- Explanations of the Four Pillars of Service
- Highlights of national programs, scholarships, and community impact

Membership benefits and how to get involved

Possible Uses:

- Membership tables at community events
- New-member welcome packets
- Orientation for officers, volunteers, and Junior members
- Sharing with schools, libraries, and civic organizations

Informational handouts for veterans and families exploring membership

4. Capture Your Unit's History

Every event, every project, every smiling volunteer becomes part of your Unit's legacy.

Remind members to:

- Take photos at meetings, service projects, and community events.
- Save copies of flyers, press releases, and social media posts.
- Keep a simple digital or printed scrapbook for the year.

Label photos with dates, names, and events for future reference.

Today's snapshots become tomorrow's history — and they help future members understand the impact you made.

5. Celebrate Community Connections

Partnerships strengthen our mission and expand our reach.

Encourage Units to:

- Publicly thank schools, churches, Scouts, and local businesses that support ALA projects.
- Invite partners to join you at Memorial Day or Poppy events.

Share collaborative stories in newsletters and local media.

Visibility leads to curiosity — and curiosity leads to new members.

Closing Thought

Public Relations is more than posting updates. It's telling the story of who we are, what we do, and why it matters. By showing up, sharing our mission, and inviting others to join us, we strengthen our Units, honor our veterans, and build the next generation of Auxiliary leaders.

Public Relations Chairman

2. Discover the American Legion Family! — Activity Book for Kids (Ages 5–10)

This kid-friendly activity book introduces young children to the American Legion Family through coloring pages, simple explanations, and fun activities. It teaches patriotism, kindness, and community service in a way children can understand.

It features:

- Easy explanations of each Legion Family group
- Coloring pages, matching games, and activity prompts
- Messages about helping others, honoring veterans, and teamwork

A gentle introduction to service and citizenship

Possible Uses:

- Children's tables at Legion events
- Family-friendly community outreach
- Junior Auxiliary and SAL youth activities
- School visits, Veterans Day programs, and library displays

A take-home resource for families attending post events

Request Your Copies

If you would like a digital copy of **either** booklet — or both — I am happy to send them to you.

Please email [**weaver.michelle595@gmail.com**](mailto:weaver.michelle595@gmail.com) and indicate which booklet(s) you would like to receive.

Together, we continue to strengthen our Legion Family by educating, inspiring, and welcoming the next generation of members and supporters.

Greetings Legion Family,

I hope everyone had a nice Memorial Day weekend and took a pause to remember and honor the brave men and women who made the ultimate sacrifice in service to our great nation.

Armed Forces Day is for those who still wear the uniform, and **Veteran's Day** is for those who retired the uniform, but **Memorial Day** is for those who never got to take the uniform off.

Thank you to Lake City Post 110 for hosting the SAL District Convention on May 2nd. Since nobody wanted to throw their name in the hat for District Commander, I accepted the nomination to serve a third term. Thank you to Dave Bilderback, Greg Lemmer, and Gary Weaver for also staying on another term; and thank you to our new Chaplain, Chris Taulbee. Finally, thank you to Brian Tomashek for the terms you served as the East Vice-Commander.

Please note that we currently have NO Vice-Commanders for 2026-27. This is going to make for a challenging year to get membership packets handed out. If ANYONE is interested in serving as the East or West Vice-Commander, please let Adjutant Bilderback or myself know! The only qualifications are being a member in good standing and a willingness to help out.

Finally, the Detachment Convention is being hosted by Aviation Squadron 511 in Crystal MN on June 27. It would be great to see some first-timers from our district. Your membership in your squadron is your membership in the National organization. Just as every piece of a puzzle is needed to complete the bigger picture, every member is needed to make our organization whole.

IMPORTANT INFORMATION TO UNDERSTAND REGARDING RENEWAL STATUS AND DATE

Membership Renewal Dates

The SAL membership year follows the calendar year (Jan 1 through Dec 31) and renewals are due in advance, meaning 2026 renewals were due by Dec 31, 2025. Ideally, they should be submitted early December so National has time to process them before Jan 1. Here are the important renewal dates from the National SAL Bylaws:

Any member whose renewal has not been processed at National by **Jan 1** goes into **delinquent** status. If the member renews before Feb 1, they are automatically returned to "active in good standing".

Any member who is still delinquent on **Feb 1** goes into **suspended** status. A member in suspended status loses all privileges and benefits of membership until reinstated. That includes the ability to hold any office, the ability to vote, the ability to represent their squadron as a delegate at District and/or Detachment convention, and in Minnesota, the benefit of the Minnesota American Legion Family Hospital Association. On **June 1**, suspended memberships are **forfeited** and no further renewal notices are sent.

A suspended/forfeited member can be reinstated to "active in good standing" by a motion brought before the squadron membership body to approve the reinstatement and upon payment of dues for the current year (though I suspect most squadrons forego the formality of actually voting the member back in). This is not spelled out, but my understanding is, as long as the member is reinstated in the same year their membership was forfeited, they do not lose their continuous years. For example, if you have any members who have not paid their 2026 dues, they would need to be reinstated before the end of the year to keep their continuous years.

Please take immediate action and review how many of your members from 2026 have not yet renewed their membership and take action now!

Membership packets will soon be coming out for 2027. This year's plan is for a rep from each squad attend one of two meetings we will be setting up. One will be held for the east section and one for the west. Squadrons are **expected** to send at least one person to the respective meeting for their area to pick up their packet.

Seeing that our district does not have a east or west vice the attendance at one of these meetings is more important than ever. This is a good time for a shout out to Brian Tomashek for all his past efforts in helping drive memberships for our district. His follow up and drive will be missed.

So let's think about renewals and try to put it into perspective. Just a few things we need to pay in advance of them expiring:

1. Auto insurance
2. Health insurance
3. Home owners insurance.
4. Tabs for your automobile
5. **SAL MEMEBRSHIP DUES**

For your 2027 SAL membership target a date no later than Dec 1, 2026.

2026 Patriot Tour Kicks Off in Albert Lea with Ceremony, Appreciation, and Donations

Patriotism filled the air — along with the rumble of motorcycle engines — on Saturday morning as the Nation of Patriots officially launched the 2026 Patriot Tour at Bergdale Harley-Davidson in Albert Lea. The opening ceremony honored veterans, recognized Purple Heart recipients, featured a poetry reading, and included the presentation of more than **\$14,000 in donations** to support veterans and their families.

Assistant Rider Director **Larry Larson** served as emcee. After the Pledge of Allegiance and the national anthem, a procession of Purple Heart veterans carried the flag forward — representing nearly 80 years of service. Among them was **104-year-old World War II veteran Lupe Gasca**, whose presence drew heartfelt applause.

Chaplain and Vietnam veteran **Dale Grautson** spoke about the personal meaning the Patriot Tour has taken on for him. He reflected on the contrast between the welcome home World War II veterans received and the difficult reception many Vietnam veterans faced.

Grautson shared how the Nation of Patriots helped heal some of that hurt:

“I’m so amazed at what happened, and it took a bunch of the hurt out of my heart,” he said. “To see our community come together and do the right thing for those that gave their lives — so, so appreciative.”

Following his prayer for the safety of all riders, Navy veteran **Rhonda Allison** read a poem honoring the sacrifices of those who served.

Albert Lea Mayor **Rich Murray** then proclaimed the day **Nation of Patriots Day** in Albert Lea.

“As a fellow veteran, I love to be out honoring our veterans every day of the year,” Murray said. “They have given us our freedoms that we can be thankful for.”

Patriot Tour founder **Bill Scherer** addressed the crowd, noting that this was one of the largest send-off gatherings in the tour’s seventeen-year history. He thanked Bergdale Harley-Davidson, the Glenville American Legion, local first responders, and the many volunteers who make the event possible.

Scherer reflected on the origins of the Patriot Tour:

“Eighteen years ago, I had an idea — simply to help people. I saw veterans coming home beat up and hurt, and they were not getting the support they were promised. I decided to act. This thing has grown far beyond me. It is about all of us.”

He also explained that along with the flag traveling to all fifty states, a banner and a pledge book accompany each flag bearer as they begin and end their leg of the tour.

Before presenting the first flag bearer with the flag, banner, and book, Scherer emphasized the unity the Patriot Tour inspires:

“It helps us find something painfully rare today — common ground. We stand here shoulder to shoulder not as political parties or anything that divides us, but as Americans.”

To launch the first leg of the 2026 tour, the **Glenville Legion Riders** presented Scherer with a **\$13,600 donation**, followed by a **\$500 donation** from the **Glenville American Legion Auxiliary**.

Larson closed the ceremony with safety instructions, and shortly afterward, motorcycles and support vehicles rolled out. The first stop on the 2026 Patriot Tour is **Mason City**, with the tour concluding on **September 19** back in Albert Lea.
